29th	Carla Gilliam

LEAD Like A *Pirate*

ATTENDANCE POLICY (As Required By Law)

Part of the school's responsibility in educating your child is instilling the importance of learning. Parents are encouraged to set a good example by ensuring prompt arrival to school so that optimal learning can take place.

ATTENDANCE

Elementary students must be in attendance 85% of the time in order to be promoted to the next grade. However, at Poteau Upper Elementary we have set a goal for our students to be present an average of 95% of the time. Parents will be contacted by phone or mail if a student has poor attendance. Also, the truancy officer and other outside agencies will be notified as required. Consistent attendance encourages the children to be successful in school. All doctor's statements must be presented to the office within 24 hours of the absence.

For various reasons, such as illness or emergencies, it may be necessary for a child to be picked up from school during the school day. Parents/guardians are encouraged to make every effort to avoid unnecessary interruptions to the school day that will hinder the learning opportunities of their child. Every effort should be made to schedule appointments outside of the school day for this reason.

TRUANCY

A student who is 1) absent without valid excuse four or more days or parts of days within a four-week period or 2) absent without valid excuse for ten or more days or parts of days within a semester will be reported to the student's parents/guardians and other agencies as required. The parents/

legal guardians of the student may also incur legal liability regarding their failure to compel the student to attend school. (70.O.S. 10-106)

LATE ARRIVAL

The school day begins at 8:00 a.m. Occasionally it may be necessary for children to arrive late. If your child arrives to school late, he/she must report to the office to receive a tardy slip before going to the classroom.

Please help us devote each minute to learning for all children. Each experience that your child has is a learning experience for him/her. Being prompt and on time helps a child know that you believe school is important. Being on time could also improve your child's grades.

If you have difficulty bringing your child to school, bus transportation is provided. Check with the school to find out what bus your child should ride.

EXCESSIVE TRUANCY (Absence, Tardiness, Early Withdrawals) may result in: Parent Contact, Home Visit and/or Ticket Issued by the Truancy Officer, Court Ordered Appearance Before a Judge, or Contact with DHS.
